Are you from the African Diaspora? Have you always wanted to give back to Africa?

If the answers to all these questions are yes. Then listen up because this programme is for you.

This year Africa Foundation Stone is giving you a fantastic opportunity to give back to Africa. We are sending 22 volunteers to go and work in Cameroon towards the Millennium goal 1 to eradicate extreme poverty and hunger amongst women and children in Douala and Yaoundé.

We are funded by UKaid and have sent over 100 volunteers since our programme began in 2005. If you will like to make a change why not contact us and we will send you more information about our programme.

At the moment we have only 5 spaces left so apply now!!!!

All volunteers will need to have the skill highlighted below:
